## EXPERIENCE

---

2011 **Tax Connection BV** **partner**

Michiel is vat specialist with Tax Connection, a Dutch boutique of tax specialists.

During his professional career Michiel gained a broad experience in the field of indirect tax. He has the depth of experience to offer pragmatic tax advise. His practice includes VAT advice in complex domestic and international VAT matters.

He has a special focus on the Financial Services Industry (financial service institutions, insurance companies and claims management companies) and on Real Estate. Michiel has a proven track record of saving cash out for clients as well as huge refunds relating to reclaiming input VAT.

In addition to providing vat services, Michiel is a speaker at seminars. Michiel has a Master's Degree in Fiscal Law from the University of Leiden. He has been a member of the Dutch Association of Tax Advisors for over 13 years ('NOB').

2010 - 2011 **innoVATe Tax Lawyers** **partner**

In 2010 Michiel founded InnoVATe Tax Lawyers, a Dutch boutique of Indirect Tax Specialists. End of 2011 InnoVATe Tax Lawyers merged with Tax Connection.

2006 – 2010 **Deloitte** **vat specialist**

Michiel worked for several years with Deloitte as indirect tax specialist. He was responsible for a team of vat specialists in the Rotterdam / The Hague area. In this function as a senior specialist he advised on (inter)national tax restructurings and coordinated various tax projects. He also strongly focused on business and client development.

1998 – 2006 **PwC** **vat specialist**

Michiel started his professional career as indirect tax specialist with PwC. Between 2004 and 2006 he was a member of the Indirect Financial Services Group. In this role he advised financial institutions on i.e. cross border VAT-saving structures and pro rata optimization and coordinated various cross border VAT projects.
